

## Product information according to Regulation (EU) 2023/826

**Product:** Built-in microwave oven

**Trade mark:** Bosch

**Model identifier:** BFL523MS0B

| Condition                                                                                               | Max. Power consumption (W)                                                                                                                                     | Max. Period auto activation power management function (minutes) |
|---------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------|
| Power consumption off                                                                                   | -                                                                                                                                                              | -                                                               |
| Power consumption standby/display off                                                                   | 0.5                                                                                                                                                            | 20.0                                                            |
| Power consumption standby/display on                                                                    | 0.8                                                                                                                                                            | 20.0                                                            |
| Power consumption standby/network: Please check the user manual for how to switch off the WiFi module.  | -                                                                                                                                                              | -                                                               |
| Networked standby if all wired network ports are connected and all wireless network ports are activated | -                                                                                                                                                              | --                                                              |
| Activation and deactivation of wireless network ports                                                   | For models with wireless connections, you can save energy by disconnecting the network ports when not in use. More information can be found in the User Manual |                                                                 |
