

| DIMENSION                                                                                                                | MEASURE                    |    |
|--------------------------------------------------------------------------------------------------------------------------|----------------------------|----|
| OVERALL CABINET                                                                                                          |                            |    |
| 01. Height MIN of the base cabinet Niche, including all required space for installation or ventilation (HMIN_B)          | 0                          | mm |
| 02. Height MAX of the base cabinet Niche, including all required space for installation or ventilation (HMAN_B)          | 0                          | mm |
| 03. Width MIN of the base cabinet Niche, including all required space for installation or ventilation (WMIN_B)           | 0                          | mm |
| 04.Width MAX of the base cabinet Niche, including all required space for installation or ventilation (WMAN_B)            | 0                          | mm |
| 05. Depth of the base cabinet Niche, including all required space for installation or ventilation (DN_B)                 | 0                          | mm |
| 06. Indicates whether a ventilation opening is needed or not. Default is "N"                                             | No                         |    |
| 07. appliance can be used as base for other appliances from the same manufacturer. Default is "N"                        | No                         |    |
| Built In - Floor Standing                                                                                                |                            |    |
| 08. Height MIN Decorative Front (HMIF)                                                                                   | 0                          | mm |
| 09. Height MAX Decorative Front (HMAF)                                                                                   | 0                          | mm |
| 10. Width MIN Decorative Front (WMIF)                                                                                    | 0                          | mm |
| 11. Weight MAX of the decorative bottom front panel of the Kitchen manufacturer (WEMAF)                                  | 0                          | kg |
| 12. Weight MIN of the decorative front panel of the Kitchen manufacturer (WEMIF)                                         | 0                          | kg |
| 13. Thickness MAX of decorative front panel of the kitchen manufacturers (TMAF)                                          | 0                          | mm |
| 14. Minimum height of gap between front and front underneath, with MAX thickness of front (HMIFG)                        | 0                          | mm |
| APPLIANCE                                                                                                                |                            |    |
| Overall Appliance                                                                                                        |                            |    |
| 01. Height MIN Product (HMIP)                                                                                            | 850                        | mm |
| 02. Height MAX product (HMAP)                                                                                            | 850                        | mm |
| 03. Width product (WP)                                                                                                   | 600                        | mm |
| 04. Depth product without front (DP)                                                                                     | 598                        | mm |
| 05. Depth product (D)                                                                                                    | 0                          | mm |
| 06. Depth MIN of plinth return front (DMIPRF)                                                                            | 0                          | mm |
| 07. Depth MAX of plinth return front (DMAPRF)                                                                            | 0                          | mm |
| 08. Height MIN Plinth return. Dimension is taken by minimum appliance height (HMIMIPR)                                   | 0                          | mm |
| 09. Height MAX Plinth return. Dimension is taken at minimum appliance height (HMIMAPR)                                   | 0                          | mm |
| Built In - Floor Standing                                                                                                |                            |    |
| 12. Height MIN Product Panel. When product panel is missing, set to 0 (HMIPP)                                            | 0                          | mm |
| 13. Height MAX Product Panel. When product panel is missing, set to 0 (HMAPP)                                            | 0                          | mm |
| 14. Space in front, which is required to guarantee full operability. The most protruding part gives this dimension (RSF) | 630                        | mm |
| 15. Type of preparation to fix the cover door                                                                            | No drilling template       |    |
| Retrace back socle                                                                                                       |                            |    |
| 16. Depth of the socle retrace at the rear side (DBSR)                                                                   | 45                         | mm |
| 17. Height of the socle retrace at the rear side. This dimension is taken at minimum appliance height (HBSR)             | 65                         | mm |
| TEMPLATE NAME                                                                                                            |                            |    |
| 00. Name of the template to be used                                                                                      | DISH_FREESTANDING60CM_MAXI |    |
