Perfect results every time

- Perfect results from day one thanks to the sensing technology. The 7 sensor-driven automatic programmes detect the consistency of different doughs and ingredients every second and stop automatically when perfect. Whether it's egg whites, yeast and sourdoughs, pasta and strudel doughs, short crust pastry, cake mix, whipped cream, or smoothies. Regardless of the recipe and whether you know the mixing and kneading time or not, the Serie 6 will know for you.
- Achieve perfect yeast doughs with a special sensor-driven automatic program for baking enthusiasts: The Series 6 kitchen machine automatically takes care of the kneading, resting, and then kneading again automatically when required.
- Long motor run time for intense kneading of heavy dough to achieve e.g. perfect pizza dough without overheating. Our air cooled motor and stand mixer housing has a 10-year warranty.
- 3D PlanetaryMixing: kneading movement like your hands for perfect dough by working into the dough from above or mixes delicate ingredients to fine consistency

Making life easier

- Integrated scale displays 1-g-steps, measures additionally ml, ml milk, ml oil, g, oz & lbs, optimised to weigh on top of the stand mixer or directly into the bowl as you go.
- Integrated timer stops automatically when the time has elapsed. Simply pre-set the working time.
- Always the right speed when using Serie 6 on manual with 7 speed setting options, an extra slow setting for folding in delicate ingredients and a maximum speed setting for extra power.
- Easy Tool Eject: Tools can be changed easily by pressing the eject button

Included accessories

- Extra big, brushed stainless steel bowl: 5.5l capacity and equipped with two ergonomic handles. Capacity for up to 3,5 kg of cake

mixture or 2,5 kg bread dough.

- Perfect whipping performance: Increased stability of the whisk and new high quality design - fitting perfectly to the contour of the bowl to leave no ingredients unmixed.
- Stainless steel stirrer with silicone coating for even mixing results and the assurance that all ingredients are perfectly blended together. Dishwasher safe.
- Solid stainless steel dough hook for high durability and powerful efficient kneading. Dishwasher safe.
- Splash protection lid: Made out of shatterproof and durable BPA free Tritan material. The lid is equipped with a pouring hole to easily add your ingredients to the mixing bowl. The lid stays up when lifting the arm and can also be easily removed.
